Re: Utility Patent Application No. 10/796,431, Filed March 9, 2004  
Title: Handling Potentially Contaminated Mail  
First Named Inventor: Avant  
Attorney Docket No. 38494-00146D

Dear Ms. Dillard:

Enclosed please find a *Power of Attorney and Correspondence Address Indication Form* and a *Statement Under 37 CFR 3.73(b)* in accordance with the conversations we had earlier this week with regard to the above-referenced patent application. To refresh your memory, if I may, this is a matter where the Power of Attorney had not been timely changed and still bears a former attorney of this firm as the attorney of record. Our firm is authorized to prosecute this application and recently filed an amendment. At this time, this application is pending allowance and we urgently need to have the records reflect the updated Power of Attorney in order to proceed with the prosecution.

I have enclosed the executed documents from our client, United States Postal Service. The Power of Attorney was executed by a properly authorized representative.

Please correct the attorney of record in this matter. We would like to have this matter expedited as soon as possible particularly in view of the pending issuance of this application. If you have any questions or concerns, or need anything else from us, please do not hesitate to contact Lucius Lockwood at 602-262-5355.

Respectfully,

  
Deborah Dockett  
Secretary to Lucius L. Lockwood, Esq.
